### PROFESSIONAL SUMMARY

Innovative and detail-driven developer specializing in building performant, accessible, and responsive web applications with React, Next.js, and TypeScript. Translates Figma designs into scalable, pixel-perfect components using TailwindCSS and modern CSS tools. Delivers maintainable, user-focused interfaces that drive engagement and support long-term growth. Skilled in API integration, component architecture, and performance optimization. Thrives in fast-paced, collaborative teams, delivering robust frontend solutions with lasting impact.
